### THE FAMILIES

**Mandy Bennett Baird**

*"No one fights alone"*

In October 2015, loving mother Mandy Bennett Baird was diagnosed with a fast moving pancreatic cancer. Since she was diagnosed Mandy had been spending as much time with her family as possible, including her young son Logan, a second grader at Salem School. Mandy grew up in Salem and East Lyme ; her family has always been active in the community. She graduated from East Lyme High School in 2000 and she worked as a CNA at Kindred Crossing East Rehab in Waterford for 14 years. On March 12, 2016 Mandy's courageous battle came to an end. A fighter until the end, her loving and giving nature will live on in her son Logan.

**Brynn Levitsky**

*"Help Brynn Win"*

On October 2, 2015 Brynn was diagnosed with cancer for the third time in her short life. Brynn's parents Brian, a chef and Kara, a preschool teacher are still reeling from lost wages and medical expenses accrued from the previous two battles. This family has always given to others, now they need your support. PLEASE give forward and help Brynn Win.

**Amber Winder**

Amber worked for years at our own Salem dentist, while raising three children Taylor, 18, John Jr. 16 and Kaleb 4 with her husband John. On Tuesday February 9 Amber took her final breath and was relieved of the pain she had been feeling for so long. Her greatest thoughts and concerns were always about her family, emotionally, spiritually and financially. She found peace knowing that even after she was gone our town would continue to take care of her family as one of our own.

Thank you for your generous support of our community and these families. We are incredibly grateful and honored to be sharing these journeys together as proof that we belong to each other and **"No one fights alone" and we truly are BETTER TOGETHER.**
